KEGALLE PLANTATIONS PLC

# 1. Introduction

The Policy on Environment, Social, and Governance (ESG) Sustainability reflects Kegalle Plantations PLC's commitment to integrating sustainable practices into its business operations. This policy aims to promote environmental responsibility, social equity, and strong governance standards across the company. By adhering to ESG principles, Kegalle Plantations PLC seeks to reduce its environmental impact, enhance stakeholder engagement, and ensure long-term value creation while contributing positively to the communities it serves. The policy underscores the company's dedication to ethical growth and sustainable development in line with global best practices.

# 2. Purpose and Scope of the Policy

The Policy on Environment, Social, and Governance (ESG) Sustainability is established to ensure that Kegalle Plantations PLC meets its obligations under the revised Section 9 of the Corporate Governance Rules (9.2) of the Colombo Stock Exchange (CSE). This policy outlines the company's commitment to embedding sustainable practices into its business operations, promoting environmental stewardship, social responsibility, and strong governance. The goal is to align business strategies with sustainable development principles, ensuring long-term value creation for shareholders, stakeholders, and the broader community.

This policy applies to all directors, executives, employees, and third-party contractors involved with Kegalle Plantations PLC. It covers all areas of the company's operations, focusing on managing environmental impact, promoting social welfare, and maintaining high standards of governance. The policy ensures that the company's sustainability efforts are consistent with local laws, international standards, and stakeholder expectations.
